

Wichita Thunder Booster Club

Code Of Ethics

I, _____ am a member of the Wichita Thunder Booster Club, aka The Storm, and pledge to uphold the following principals and guidelines to the best of my ability:

Cooperation: We realize that we must work closely and harmoniously with others and agree to do so without allowing personal feelings to interfere when they conflict with the interest of the Club.

Fairness: We believe that each of us must be just and fair in our dealings with our fellowman. That it is imperative that we not condemn another without giving them a chance to defend themselves. We promise to impartially consider all factors before forming an opinion of another's motives or before passing judgement on his/her actions.

Honesty: We acknowledge that honesty is a necessary attribute of good character and effective leadership.

Professionalism: We will strive to act in a professional manner, representing the Club to the best of our ability at all times. Because our actions at all hockey-related events reflect not only upon our personal character, but on the Club, we will be especially conscious of those actions, keeping in mind always that we are representing the Club.

Respect: We promise not only to respect others and their opinions and differences, but to respect ourselves as well and to manage our conduct accordingly.

Responsibility: We recognize that it is vital for each person to accept full responsibility for their actions, and to fulfill their obligations to the Club and to the hockey community.
